Thanks Carl.

We had a call with the Navajo Nation earlier today and discussed outreach to chapter houses. So we will figure that one out. We're sending our Navajo fluent CIC (Secody Hubbard) along with the CI supervisor (David Yogi) tomorrow and we will be working with Navajo Nation on community meetings, etc.

FYI...One bright spot was that Navajos were interested in having EPA give a chapter house brief at 2:00 MST I told Mark that R-9 had the stick on this.
